### Line 3 Explanation

Executive compensation is set by St. Luke's Board of Directors and is

reviewed annually. Compensation levels are based on an independent

analysis of comparable pay packages offered at similar institutions

across the country, with the goal of placing executives in the 50th

percentile of those surveyed. These surveys are usually done every two

years, with the most recent compensation survey completed during

calendar year 2017.

St. Luke's Health System is committed to providing the highest quality

medical care to all people regardless of their ability to pay. To keep

that commitment, St. Luke's puts a great deal of time and effort into

recruiting and retaining the top physicians in a variety of medical

fields. Our relationships with physicians range from having privileges

at the hospital to full employment.

For those physicians who choose to be employed, St. Luke's must offer

competitive pay and benefits.

Part III Supplemental Information

# Physician compensation is based on a range of criteria and can be

influenced by a number of variables including:

-Community need for medical specialty

-Experience

-Productivity

-Geography

-National surveys adjusted for local conditions

-Willingness to serve regardless of patients' ability to pay

-Duration of relationship and contractual terms

-Performance on quality metrics

To ensure physician compensation and benefits remain within industry

standards and legal requirements for not-for-profit institutions, St.

Luke's has a Physician Arrangements policy that specifies circumstances

requiring a third-party valuation and also periodically uses

third-party consulting firms to review St. Luke's physician

compensation arrangements.

Part III Supplemental Information

Provide the information, explanation, or descriptions required for Part I, lines 1a, 1b, 3, 4a, 4b, 4c, 5a, 5b, 6a, 6b, 7, and 8, and for Part II. Also complete this part for any additional information.

Given the growing national shortage of physicians, recruiting and

retaining physicians is more critical than ever to guarantee that

people seeking care at St. Luke's will continue to have access to the

physicians and specialists they need regardless of their insurance

status or insurance provider.
