The organization annually reviews the conflict of interest policy with each	
board member and also with new board members. Persons covered under the	
policy include officers, directors, senior executives, non-director members of	
Board committees and others as identified by a senior executive. At all	
levels the board is responsible for assessing, reviewing, and resolving any

Form 990, Part VI, Section B, Line 15:	
Executive compensation is set by St. Luke's boards of directors and is	
reviewed annually. Compensation levels are based on an independent analysis	
of comparable pay packages offered at similar institutions across the	
country, with the goal of placing executives in the 50th percentile of those	
surveyed. These surveys are usually done every two years, with the most	
recent compensation survey completed during calendar year 2014.	
St. Luke's Health System is committed to providing the highest quality	
medical care to all people regardless of their ability to pay.	
To keep that commitment, St. Luke's puts a great deal of time and effort	
into recruiting and retaining the top physicians in a variety of medical	
fields. Our relationships with physicians range from having privileges at	
the hospital to full employment.	

Name of the organization St. Luke's Clinic Coordinated Care, Ltd.	Employer identification number 45-5195864
For those physicians who choose to be employed, St. Luke's must offer	
competitive pay and benefits.	
Physician compensation is based on a range of criteria and can be	
influenced by a number of variables including:	
-Community need for medical specialty	
-Experience	
-Productivity	
-Geography	
-National surveys adjusted for local conditions	
-Willingness to serve regardless of patients' ability to pay	
-Duration of relationship and contractual terms	
-Performance on quality metrics	
5	
To ensure physician compensation and benefits remain within industry	
standards and legal requirements for not for-profit institutions, St. Luke's	
has a Physician Arrangements policy that specifies circumstances requiring	
a third-party valuation and also periodically uses third-party consulting	
firms to review St. Luke's physician compensation arrangements.	
Given the growing national shortage of physicians, recruiting and retaining	
physicians is more critical than ever to guarantee that people seeking care	
at St. Luke's will continue to have access to the physicians and	
specialists they need regardless of their insurance status or insurance	
provider.
